

**DIVISION OF METAL SHEETS**  
*crosswire, longitudinal and crosswire*  
*Production company*

00420/55/7294635-7, 729 59 57, 674 00 79  
**Identification Number: 11967480**

### **CONFORMITY DECLARATION**

issued in law § 6 par.1, letter b, of the law num. 90/98 in digest of laws as amended by the latter act.

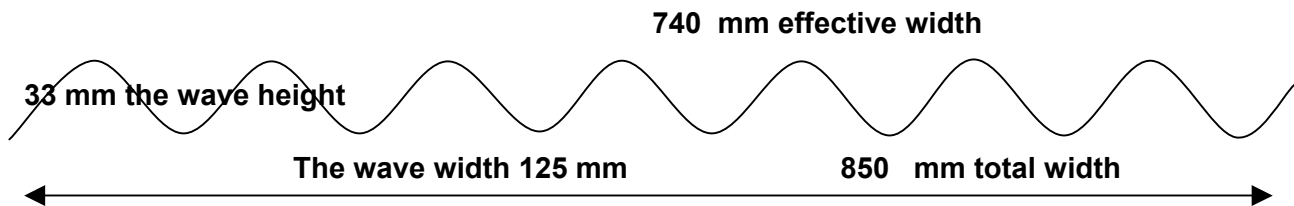

**The title of the product: CORRUGATED SHEETS OF THICKNESS 0,40- 1,00 mm**

More exact specification of the products: wave 25-40 mm

- ◇ corrugated sheets with wave height 25-40 mm
- ◇ parameters tolerance of wave height and wave width of the profile depends on the thickness of the material and it is not possible to adjust it
- ◇ parameters tolerance for perpendicularity after waving +/- 5 mm

**The pattern by the thickness 0,55 mm**

- ◇ input width 1000 mm, the total width of the profile 850 mm and effective width 740 mm
- ◇ input width 1250 mm, the total width of the profile 1070 mm and effective width 980 mm

### **PRODUCT SPECIFICATION AND DESCRIPTION**

***sheets with thickness 0,40-0,60 mm***

- Suitable for :**
- smaller shelters underlaid min. 8x cross
  - fencing underlaid min. 4x cross
  - not self-supporting

***Sheets with thickness 0,63-1,00 mm***

- Suitable for :**
- fencing underlaid min. 2x cross
  - for covering buildings underlaid min. 4x cross
  - for lost crating by concreting
  - not self-supporting

**DECLARATION IS ISSUED FOR OWN RESPONSIBILITY OF  
THE PRODUCER**

It substitutes the previous conformity from 01.01.2001

Date of validity: **from 13.01.2002**
